Kids Palace is a family-owned and operated child care and early learning facility that has been serving local families since 1993. We provide high-quality care for children from six weeks to Pre-K, as well as before and after care for school-age children. We utilize The Creative Curriculum in our classrooms, combined with progressive enrichment and extra-curricular programs. We offer a full-time summer camp program, including field trips and extended learning activities. Our goal is to provide families with an environment that promotes comprehensive care and learning while making tools for growth and success readily available.
