 Laurie Gehling, Principal

Bellingrath Hills Elementary is a school with a mission to assist our youngest community members in becoming critical thinkers, empathetic neighbors, intrepid explorers, and knowledgeable leaders. Established in 2007, Bellingrath Hills provides services to Pre-Kindergarten and Kindergarten aged children in the Central Community School District. Our highly qualified teachers and dedicated staff strive to maintain an atmosphere where children feel safe, accepted, and loved. These collaborative teams of teachers, paraprofessionals, administration, and staff design and deliver lessons based on developmentally-appropriate practices and sound theoretical research. Bellingrath Hills offers gifted and talented classes, art, music, physical education, before/after school enrichment and remediation classes, computer lab, guidance, and library. We also offer opportunities for children to explore and learn outside of the classroom environment, with field trips, dramatic play productions, and guest presentations from various professional fields.
